

CFE-DMHA

Disaster Information Report

Typhoon Hagupit (Ruby), Dec. 10, 2014 CDIR No. 7 (note: last report)

BLUF – Implications to PACOM

- No DOD requirements anticipated
- Today's 10 DEC report is the last CDIR for Typhoon Hagupit. Additionally, the CFE Crisis Site (<http://www.cfe-dmha.org/crisis/typhoon-hagupit/>) for Typhoon Hagupit will go offline on 17 DEC barring any major changes to the situation.

Key Concerns & Trends

- GPH and the international humanitarian community are capable of meeting virtually all disaster response requirements.
 - As Hagupit exits the Philippines a clearer picture is emerging of the damages and main needs on the ground; still several days before full extent known
 - IFRC reports overall damage appears moderate; however in Masbate, Samar and Leyte there is a need for food, water and shelter

Typhoon Hagupit – Stats & Facts

Current Status:

Tropical Storm Hagupit is now outside the Philippine Area of Responsibility (PAR) (NDRRMC Update Severe Weather Bulletin No. 25 (Final))

Although there were fears of flooding, by the time it hit Metro Manila on 9 DEC Hagupit brought only light rain to most areas. (IFRC)

DSWD working with LGUs to confirm number of damaged and destroyed houses. (DSWD)

The above map depicts the latest Joint Typhoon Warning Center (JTWC) forecast (10 DEC, 1PM HST). (JTWC)

Affected Population (as of 10 DEC, 8:00 pm)

Deaths: 11 (NDRRMC)

Total Affected: 2,706,903 persons / 641,667 families

Total currently being served inside and outside evacuation

centers: 1,410,394 persons / 342,807 families

(NDRRMC, SitRep, No. 15, 10 DEC)

Affected State

Military

Armed Forces of the Philippines (AFP):

Military trucks and choppers are continuing to assist by delivering relief goods to affected areas. (DSWD)

Civilian

The **Government of the Philippines (GPH)** National Government Frontline Team is continuing to work with national agencies, local government units (LGUs) humanitarian organizations and volunteers in helping rehabilitate the affected areas. (GPH)

Interior Minister Manuel Roxas, who is overseeing the government's typhoon response, said at least 200,000 people on Samar needed help. Additionally, he says that airports and main roadways have been cleared for the relief operation. (AFP)

All national roads in E. Samar are passable. Personnel from Dept. of Public Works and Highways have arrived to fix the San Julian Bridge. (GPH)

The **Department of Health (DOH)** is working with the **Department of Social Welfare and Development (DSWD)** and local health authorities to ensure that evacuation centers are mother and baby friendly. The DOH in coordination with the local health authorities is directed to provide free anti-measles, anti-polio vaccines and vitamin A capsules in all evacuation centers. (DOH)

- The DOH has issued interim guidelines for the acceptance and deployment of local and foreign medical teams. Please visit: <http://reliefweb.int/report/philippines/department-health-typhoon-ruby-bulletin-no-3-8-december-2014> for specific guidance and appropriate DOH contact information. (DOH)

DSWD: Various organizations, individuals and business groups are assisting to help repack relief goods at the Cebu International Convention Center (CICC), Petrone, and Sacred Heart. The DSWD continues to call upon interested groups and individuals to assist at repacking centers. (DSWD)

- In Eastern Visayas, the DSWD established a new hub at the National Food Authority (NFA) warehouse in Borongan, Eastern Samar. The hub will serve hard-to-reach areas or isolated island-barangays.
- In other regions, DSWD social workers are now conducting rapid damage and needs assessments.
- DSWD Secretary Corazon Juliano-Soliman said that DSWD is now assessing the need for the implementation of Cash-for-Work in the province to speed up the recovery of survivors. (DSWD)
- DSWD social workers assisting LGUs in evacuation centers.
- DSWD expecting 8 deliveries from a C-130 plane carrying food packs, reaching a total of 95,417 families in E. Samar. (GPH)

Philippine National Police (PNP) from Manila have arrived to augment forces manning major supply routes and providing assistance. (GPH)

For more details on specific preparedness information please see the latest report as of this writing: “NDRRMC Update SitRep No. 15 re Effects for Typhoon “Ruby” (Hagupit)” (as of 10 DEC): <http://www.ndrrmc.gov.ph/>

Humanitarians

Philippine National Red Cross (PRC):

- Two Red Cross convoys will deliver thousands of food packs, water purifiers, blankets and hygiene kits, to worst-hit Samar (AFP)
- At evacuation centers, PRC providing hot meals, medical attention. (IFRC)
- The PRC will deliver 10,000 galvanized iron roof sheets to those who lost their homes (AFP)
- Philippine Red Cross Chairman Richard Gordon says an estimated 390,000 people, mostly in Samar, need food and temporary shelter assistance. (AFP)

International Humanitarians

United Nations

U.N. Disaster Assessment and Coordination (UNDAC): UNDAC team pulling out of the Philippines today (Wednesday, 10 DEC) and tomorrow (Thursday, 11 DEC).

International Labor Organization (ILO) estimates 800,000 have lost their livelihoods as a result of Hagiput. (PhilStar)

NGOs/IOs

CARE and its partners will be distributing food packs containing rice and canned goods to nearly 3,000 families in the Philippines provinces of Northern and Eastern Samar. Their focus is now on providing emergency food and shelter to families hit hard by Hagupit, and supporting people with cash assistance. (CARE)

CBM had a rapid needs assessment team on standby in Manila, but due to the fact that the impact of the storm was less than expected, this was not deployed. (CBM)

Heifer Philippines made broad preparations for the typhoon, ensuring that all staff and partners were aware of the incoming storm so that they could implement their Community Managed Disaster Risk Reduction training (CMDRR). (Heifer International)

Humanity Road reports **Globe Telecom** extended its “Libreng Tawag” service, which has helped overseas Filipinos connect with family and friends back in the Philippines. (Humanity Road)

For the latest (10 DEC) OCHA map of locations where humanitarian organizations are conducting assessments please see:
<http://reliefweb.int/map/philippines/philippines-typhoon-hagupit-ruby-assessment-areas-10-dec-11am>

For the latest (9 DEC) WFP logistics access constraints map, please see:
http://vosocc.unocha.org/Documents/att35991_ylztyk.pdf

Humanitarian partners who are conducting needs assessments in the affected areas are requested to coordinate with local authorities and share the results with respective regional Office of Civil Defense and OCHA (sanjeewa@un.org for Region VIII and addawe@un.org for other areas).

Assisting States

Civilian

ASEAN reports AHA Centre Emergency Response and Assessment Team (ERAT) ERAT teams have finished their work in regional offices. They have returned to Manila and initiated demobilization actions. (ASEAN)

Japan: On Wednesday (10 DEC), the Government of Japan (GOJ) decided to extend emergency relief goods worth approximately 22 million yen to the GPH, through the Japan International Cooperation Agency (JICA). (GOJ)

Military

Nothing Significant to Report today (NSTR)
