

● Disasters
● Conflict

There were 28 million new displacements associated with conflict and disasters across 148 countries and territories in 2018.

These statistics are why
our mission is essential.

Since 1970, natural disasters in Asia and the Pacific have killed two million people which equals 59 percent of the global death toll.
Source: Asia-Pacific Disaster Report 2019

In 2018, almost half of the 281 natural disaster events worldwide occurred in Asia and the Pacific and the region witnessed eight of the ten deadliest natural disasters.

EXERCISES

We provide subject matter expertise and advising support in the following exercises: Cobra Gold, Balikatan, Gema Bhakti, Bersama Warrior, Tempest Express, Pacific Partnership, DREEs, US-CHINA DME, RIMPAC, COORES, APICC, and ASEAN Disaster Response Exercises, among others.

WHO WE ARE

CFE-DM is a U.S. DoD organization comprised of nearly 30 subject matter experts that provide academic research, civil-military coordination training, and operational insights to support decision making before, during, and after crises. The Center is designed to bridge understanding between humanitarians, civilian, and military responders. CFE-DM partners with a diverse group of governmental and nongovernmental actors, as well as academic institutions to increase collaborations and capabilities in humanitarian assistance and disaster response. While maintaining a global mandate, the Indo-Pacific region is our priority of effort and collaboration is the cornerstone of our operational practice.

VISION

The Joint Force, allies, and partners are fully prepared to conduct and support foreign humanitarian assistance.

MISSION

CFE-DM builds crisis response capacity, enhances coordination and collaboration, and strengthens relationships to save lives and alleviate human suffering before, during, and after humanitarian crises.

SHARE YOUR KNOWLEDGE

We invite you to share lessons learned by submitting a written article to our editor of the LIAISON Magazine: cfe.dmha.fct@pacom.mil. The LIAISON provides an open forum for an exchange of ideas throughout the civil-military coordination community.
